

**Remarks**

Applicant respectfully points out that the After Final Amendment was deposited with the U.S. Postal Service on January 10, 2005 as indicated on the Certificate of Mailing. Therefore, the Amendment was filed within two months from the date of the Final Office Action (November 10, 2005).

Therefore, the time period for reply should expire on the mailing date of the Advisory Action, which is March 10, 2005. As such, the time period for reply as indicated on the Advisory Action is incorrect.

The present RCE is being filing with a one month extension of time based on the March 10, 2005 expiration date.

Applicant respectfully requests that the After Final Amendment dated January 10, 2005, which was not entered, be entered.

Respectfully submitted,
